

**ACCEPTANCE CRITERIA FOR THE DISPOSAL OF
INDUSTRIAL SOLID WASTE
AT THE CITY OF SAN DIEGO MIRAMAR LANDFILL**

Miramar Landfill **DOES NOT** accept hazardous or designated wastes. Potentially hazardous or designated industrial solid wastes include, but are not limited to, sandblast waste, hardened resin, paint-related waste, electrical or electronic components, leaded glass, manufacturing process waste, and empty contaminated containers. Hazardous waste is defined in California Code of Regulations, Title 22, Division 4.5, Chapter 11, Article 1, Section 66261.3. Designated waste is defined in California Code of Regulations, Title 27, Division 2, Subdivision 1, Chapter 3, Subchapter 2, Article 2, Section 20210.

Miramar Landfill may accept industrial solid wastes generated within San Diego city limits and from other designated jurisdictions. The industrial solid wastes must meet regulatory requirements for Class III landfill disposal, as specified in California Code of Regulations, Title 27, Division 2, Subdivision 1, Chapter 3, Subchapter 2, Article 2. The City of San Diego reserves the right to refuse to accept industrial solid wastes due to landfill operational restrictions or capacity limitations.

Industrial solid wastes are accepted at the Miramar Landfill in accordance with the following requirements.

1. The generator will submit a completed Special Waste Disposal Request signed by the generator or agent, which shall be delivered to the Miramar Landfill's Hazardous Substances Enforcement Team a minimum of two (2) working days prior to the requested disposal date.
2. The generator will submit documentation to support the waste determination including a description of the sampling strategy and protocol followed, a copy of all laboratory analysis from a California State Certified Laboratory, and a copy of the Chain of Custody. Sampling and analysis must be in accordance with the procedures specified in CCR Title 22, Division 4.5, Chapter 11, Article 3, Section 66261.20(c).
3. The original documents shall be delivered a minimum of two (2) working days prior to scheduling disposal. The documents may be delivered to the Miramar Landfill or mailed to the following address:

**CITY OF SAN DIEGO
ENVIRONMENTAL SERVICES DEPARTMENT
ATTENTION: HAZARDOUS SUBSTANCES ENFORCEMENT TEAM
9601 RIDGEHAVEN COURT, SUITE 310
SAN DIEGO, CA 92123-1636**

**PHONE: (858) 573-1415
FAX NUMBER: (858) 278-2330**

Attachment 4

4. Approved waste is only accepted Monday through Friday, excluding designated holidays, between the hours of 7:00 a.m. and 2:00 p.m. Waste requiring special disposal procedures is only accepted between the hours of 9:00 a.m. and 2:00 p.m.
5. An appointment for disposal shall be made with an Inspector from the Hazardous Substances Enforcement Team (858-573-1415) no later than 9:00 a.m. the day prior to disposal. There will be no exceptions to this scheduling requirement.
6. A Special Waste Manifest shall be completed for each load and will accompany the load at the time of disposal.
7. Special Waste Disposal Requests, Special Waste Manifests and information regarding the fees are available from the Supervising Disposal Site Representative (858-492-6100). The following information shall be provided when obtaining a manifest: generator's name and address, contact person and telephone number, waste description and quantity, and consultant's name and telephone number.
8. Industrial solid waste may require special disposal procedures. If so, the fee collector will give the driver a "Special Handling" placard, which the driver will hand to the spotter upon reaching the tipping deck. The driver will await disposal directions or may be directed to the Load Check area.
